

INFORMATION FOR 103018 GN CONNECTOR KIT

Connector contents of
103018 GN Connector Kit
(Subject to change without notice)

ECM 24 cavity
ECM 36 cavity
TPS/Powermaster 3 way Weatherpack
Powermaster 4 way Weatherpack
Coolant Fan (86/87) - Harness side
Coolant Fan (86/87) - Fan side
Knock Sensor/Hi Temp switch 1 way Weatherpack
Crank Sensor (86/87) 3 way Metripack
Cam Sensor 3 way Weatherpack
Coolant Temp Sensor 2 way Metripack
Air Temp Sensor 2 way Metripack
Mass Airflow 3 way Metripack
IAC/TCC 4 way Weatherpack
EGR 4 way Metripack
Oxygen Sensor/MEM Feed 1 way Weatherpack
MEM Feed Battery cable side
AC Clutch 2 way 56 series
AC Clutch Pressure Switch 2 way Metripack
Delay Relay 3 way 56 series
Delay Relay 3 way triangle
Overtemp Switch 1 way 56 series
Blower Fan feed bulkhead 4 way 56 series
Fuel Pump Override 1 way 56 series
Fuel Injector Harness (86/87) engine side 7 way Metripack
Fuel Injector Harness (86/87) vehicle side 7 way Metripack
Metripack male terminals
Metripack female terminals
Weatherpack male terminals
Weatherpack female terminals
56 series male terminals
56 series female terminals
Fan relay terminals
C100 bulkhead terminals 3 sizes
280 series terminals, female
Shakeproof ring ground terminals
150 series Pull To Seat terminals
100 series ECM terminals
Ground Clip terminals
Weatherpack Removal Tool
Hi Temp harness tape
6mm high temperature convoluted conduit

NOT INCLUDED IN KIT:

Wastegate connector
Cannister Purge connector
AC Override connector
C437 Bulkhead connector
Tach Tap connector
Alternator connector
C100 Bulkhead connector
High Speed Fan relay connector
Low Speed Fan relay connector
AC relay connector
Fuel Pump relay connector
Oil Pressure Switch connector
MAP sensor connector
Digital Dash HI LO Boost switch relay
CCCI Module connector
Injector connectors
ESC Module connector
1984 Coolant Temp connector (clear)
84/85 injector harness connectors
Various connector locks and seals
